KELYN Managed Data Services

WHY KELYN

- > IT as a Service
- > Only pay for what you need (grow and shrink) – add when needed
- > White Glove Service (more than break/fix support)
- > Enterprise Support from Commvault included (90K value)
- > Data Governance and e-Discovery
- > Data Protection Expertise
- > Better Control of Ingress and Egress cloud charges
- > Better Management of Data Growth
- > 100% U.S. Based Support
- > We are less expensive than ransomware – don't be a victim
- > Our 45+ Federal Agency Customers LOVE US
- > We are the Backup Easy Button
